

Hang up a Call

This topic describes how to hang up your call or your group members' calls.

Scenario

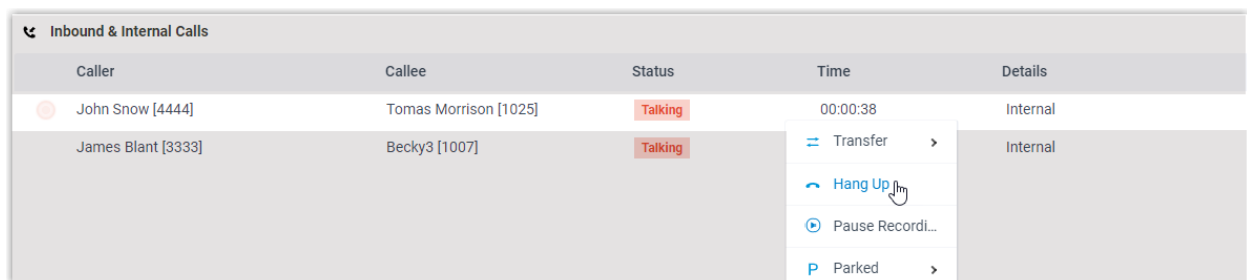

In a conference call, you can kick your group member out of the conference by hanging up his or her call.

Prerequisites

To hang up extension group members' active calls, **Pick up or hang up other extensions' calls** permission is required.

Procedure

1. On the **Inbound & Internal Calls** or **Outbound Calls** panel, hover your mouse over an active call.
2. Right click the call, and select **Hang Up**.

The screenshot shows a table with columns: Caller, Callee, Status, Time, and Details. Two rows are visible, both with 'Talking' status. A context menu is open over the second row, showing options: Transfer, Hang Up, Pause Recordi..., and Parked.

Caller	Callee	Status	Time	Details
John Snow [4444]	Tomas Morrison [1025]	Talking	00:00:38	Internal
James Blant [3333]	Becky3 [1007]	Talking		Internal

- Transfer
- Hang Up
- Pause Recordi...
- Parked

3. In the pop-up dialog box, click **OK**.
The system ends the call.
