

Access Queue Panel

This topic describes how to access Queue Panel.

Procedure

1. Log in to Linkus Web Client.

Tip: If you have received a Linkus welcome email, you can click the login link for Linkus Web Client to quickly log in.

- a. Launch your web browser, enter the domain of Linkus Web Client, press **Enter**.
 - b. Enter your username and password, click **LOG IN**.
 - **Username:** Extension number or email address.
 - **Password:** Extension User Password.
2. Go to **Call Centre Console > Queue Panel**.
